

UNITED STATES DISTRICT COURT
FOR THE NORTHERNDISTRICT OF FLORIDA
PANAMA CITY DIVISION

Gary W. Beck

Vs.

CASE NO: 5:16cv293-WTM/EMT

Bay County Government
14th Judicial Court
Attorney Ann Grabner
Florida State Hospital

MOTION REQUESTING APPOINTMENT OF COUNSEL

I, the above named Plaintiff/Petitioner, do hereby swear that I am unable to pay the costs of said proceeding or give security, therefore, I believe I am entitled to redress, and that I am unable to litigate this case on my own behalf because of a learning disability that I have had since birth. I have been in Special Ed when in school all my life. I am not able to read well. The words get jumbled in my head. I also have been told by a Code Enforcement official in Bay County that I have been 'panamad' as they say in Panama City, which basically means I have been black balled and most people are afraid to help me. I respectfully request the appointment of counsel outside Bay County, Florida.

In support of this motion, Plaintiff/Petitioner states that I have made a diligent effort to obtain the assistance of counsel by contacting the following legal aid organizations, lawyer referral service, or pro bono attorneys:

Florida Bar Association
U.S. Attorney's Office
Legal Aid

This is an unprecedented case where my multi-billion dollar patented inventions were stolen from me and my livelihood destroyed in every way possible. Due to the complexity of the crimes instigated against me, I am also unsure as to what type of case to file in order to proceed.

I am financially unable to hire an attorney because I am unemployed and have no money.

I understand that making this application does not excuse me from litigating my case, and that it is still my responsibility to move forward in this proceeding.

I declare that my answers to the foregoing are true and correct.
